

July 12, 2018

Dear Parents,

Our summer is flying by ever so quickly and, before we know it, our halls will be filled with the excitement as only a new school year brings! We're entering our 52nd year of serving our children and our wonderful families!

In our efforts to improve 'carpool safety', please note the changes that we are implementing on Wednesday, August 15, our first day of school.

Please follow the Carpool procedures that are in your Student & Parent Handbooks:

- *Proceed through the carpool line from Sugar Springs to pick up your carpool;
- Should you want to come inside to pick up your child and/or your carpool, you must park your car in a parking space;
- *Please do not 'double park' alongside the existing carpool line to come inside;
- *The areas surrounding the bus barn are not parking spaces; we must keep those areas open.

This past year we witnessed children dashing through the carpool line to cars that were double-parked. On more than one occasion, we and others in the parking lot saw situations that could have resulted in tragedies for our children and families. The safety of our children – and to each of you – is of utmost importance to us.

Without a doubt, I know that we will work together to provide a safe and accident-free parking lot and carpool zone.

We're excited about our upcoming school year! It will be wonderful to have our halls filled with the happiness and joys of children who are eager to learn!

With thanks,

Carole C. Wills, HOS
