

Carpool Information 2018 - 2019

Registration, Drop-Off & Pick-Up Locations, Bus/Van Options

Afterschool travel arrangements for Lower School students (K-5th) and all Tuttle School students must be registered with Ruby Karimi @ 281-493-1070 x110.

Lower School students (K-5th) and all Tuttle School students must have a carpool number. If you would like to set up a carpool or join an existing carpool with multiple families, please call Ruby Karimi at 281-493-1070 x110. She will provide you with a current zip code roster of students, so that you may coordinate private carpools.

For returning students: If your student is already in an established carpool, your carpool number stays the same. We do need to know if some students are no longer in your established carpool, or if you have added students. If we do not hear from you, we will assume that all travel arrangements will remain the same as last year. For sixth (6th) grade students, you do not need a carpool number; your new pick-up and drop-off will be at the opposite end at Door #6.

Morning drop-off/Afternoon pick-up: Middle-Upper (7th - 12th) students and 6th graders will use the same entry door, #6 (by the track). Once at school, they will report to the Field House or Lower School Gym. Lower School (K - 5th) and Tuttle School students will use the north entry, door #2 (on Whittington side). Once at school, all Lower School students will report to the Lower School Gym, and Tuttle School students will report to Tuttle School Lunchroom. All students will wait inside the building until school starts. The afternoon pick-up spot, door #2, will be the same for your student as in the morning. Lower and Tuttle School students will wait inside the building - your student(s) will be brought out to you. MU & 6th grade students will wait for their rides on the trackside of the building near door #6. All vehicles during afternoon carpool must enter from Sugar Springs - MU/6th grade enters from the north side and TS/LS enters from the south side.

Lower School 6th grade students will follow the same directions as the MU students for drop-off in the morning and report to the Lower School Gym. At pick-up time, the 6th graders will meet with an assigned teacher in the hall by the LS Gym who will then walk with them to the MU pickup area near door #6, you will not need a carpool number, if you had a carpool number for 5th grade, you can return it to the front desk or dispose of it.

Vehicles coming onto campus for the purpose of carpooling to and from school will enter our campus from behind the school using Sugar Springs Drive. Please check the included map for the most convenient and direct way to get to the back of the school, and how to get into the proper carpool line.

AFTERNOON STOP ONLY

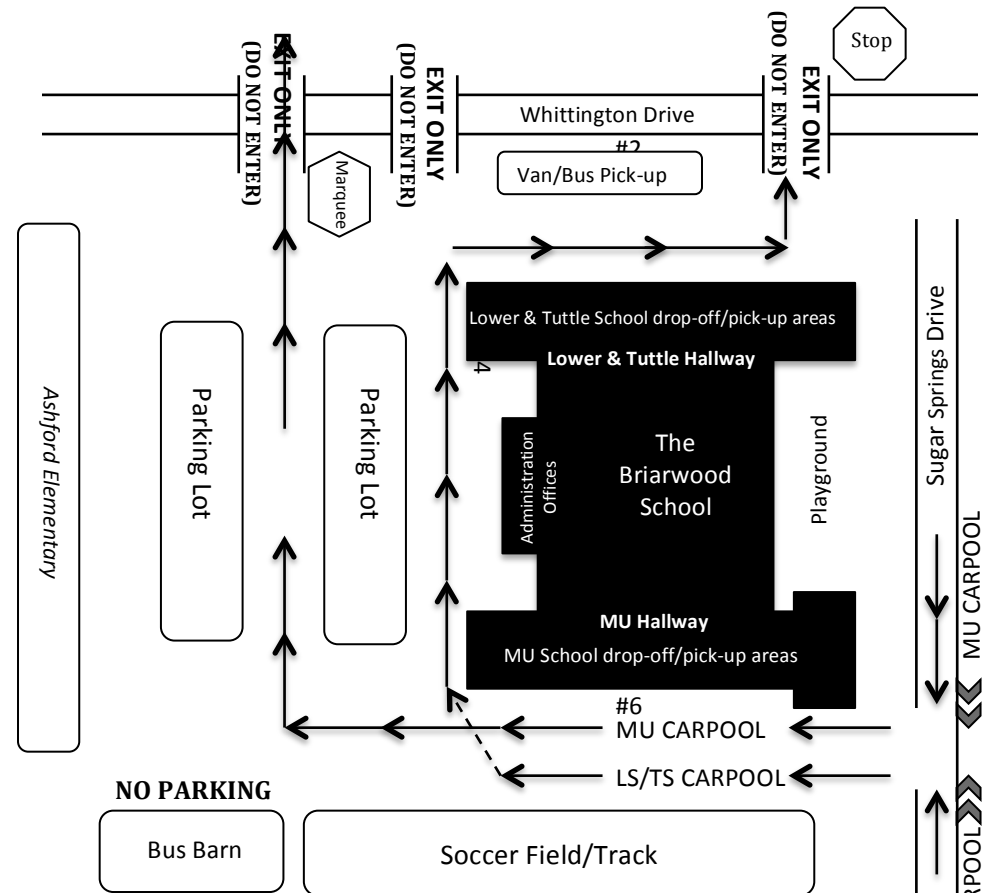

St. Lukes Methodist Church 4:05pm (M,T,Th,F) 1:05pm (W)

Carpool Instructions for The Briarwood School

MORNING

AFTERNOON

When coming to school in the morning you may follow the same procedures as the afternoon carpool, entering from Sugar Springs. If you enter from Whittington, please use the entrance furthest from the building.

Please do not drop children off in the parking lot. You may park in a designated parking space and escort your children through the main door. Do not allow Lower School or Tuttle School children to walk through the parking lot unattended.

For everyone's safety, please DO NOT use cellphones during carpool.

Note: Doors open at 7:40 a.m. At 8:00a.m. Doors #2 & #6 are locked. You may drop-off at door #4 (front office) after doors are locked.

Please follow the arrows indicating your carpool flow direction. LS/TS carpools line up on the left side of the driveway, by track fence. MU carpool line up on right side of the same driveway, near the building. No cars are allowed in the center of the drive. Please stay in line and do not pass cars ahead of you.

At the corner of the building, the lanes cross over each other and switch places, so the MU carpools can exit the parking lot directly after picking up their students. The LS/TS carpools "cross over" to the right lane, and continue on to Whittington (north) side of the school to pick up their carpools. Please be courteous while making this cross over transition.
