

Student Driver Acknowledgement Form

By signing below, the parent(s) and student acknowledge that they are aware of the policies regarding student drivers as discussed in the Student and Parent Handbook:

All student drivers must register with the office any vehicles that are brought onto campus. Additionally, this signed and dated form must be turned in to the office for students to be issued a parking tag. There is a fee of \$10.00 to replace lost parking tags.

Backing vehicles into parking spaces is not permitted.

All vehicles parked on campus are subject to search by the drug dogs. These dogs have led to the discovery of lighters, hunting knives, guns, ammunition, cigarettes, medications, etc. in a vehicle, and this will result in disciplinary action for the student. Be careful of what you carry (or what family members leave).

Once on campus, students may not leave campus without written parent permission and office approval. This includes the morning hours. Once students arrive at school, they should not leave for breakfast, etc.

Any students arriving prior to 7:30 a.m. will enter the building through the front door and proceed to the Middle-Upper lunchroom. At 7:30 a.m. they will move to the Field House, and students arriving at 7:30 a.m. or later will report directly to the Field House to wait for the opening bell of school.

Unaccompanied students are not allowed in the parking lot from 8:00 a.m. to 3:00 p.m.

The parking lot is not an appropriate place to “hang out” or socialize. Students are asked to leave directly after dismissal from school or extracurricular activities.

Student drivers must observe speed limits in the neighborhood and on campus. (5 MPH on campus, 20 MPH on surrounding streets)

Seniors who have off-campus lunch privilege should go directly to their vehicles, leave campus for lunch, and enter the building immediately upon their return via the front office door.

Two permanent trashcans are located in the parking lot. Students will dispose of all food and drinks from breakfast or lunch prior to entering the building.

During 3:00 p.m. dismissal, all drivers must exit campus via Whittington in order to keep the carpool area clear. No drivers should turn on Sugar Springs, as this street is reserved for carpool.

Failure to demonstrate responsibility with automobiles can result in suspension of driving privileges and other consequences as appropriate.

We hereby acknowledge that we have been informed of the Briarwood policy for student drivers.
