GUIDELINES:

Registration, Payment, Cancellation, Exchange, and Refund

- Registrations are due no later than January 8, 2019. Payments are required upon registration and should be included with the registration form. (No forms will be accepted w/o payment.) Please make checks payable to "The Briarwood School".
- Registration for classes will be recorded as forms are returned. Classes will be closed when they reach the maximum limit. **Payment for partial dates will not be accepted—you must choose all 15 Mondays, etc.**
- There will be no refunds or transfer to a different activity after confirmation is made.
- As soon as your registration is confirmed, you will be notified by email.
- If a class is full, your name will be put on a waiting list, and you will be notified immediately if/ when a spot becomes available for your child. Only current Briarwood students will be accepted.
- The Briarwood School reserves the right to cancel any after-school activity if the class does not meet minimum enrollment. Your payment will be refunded if this happens.

General Reminders

- Students will attend Mastery Center from 3:00 – 3:45 p.m.
- Students will have a snack every day from 3:45 – 4:00 p.m.; please provide a healthy snack and drink.
- Mustang Madness Classes begin at 4:00 p.m. and end at 5:00 p.m.

Carpool Pick-Up

- Carpool will be held on the Whittington side of the school and will begin promptly at 5:00.
- A fee of \$10.00 will be charged in 10 min. increments for late pick-ups.

Mustang Madness 2019

Course Descriptions Semester 2

Art/Crafts (Thurs; Grades 1-3; min 3/max 8 students)

Students will be working with a variety of mediums such as paint, chalk, oil pastels and more. We will create some beautiful crafts during this time. Come explore your creativity after school with Mrs. Hall.

International Cooking (Tuesday; Grades 5-6; min 3/ max 8 students)

Students will learn about a variety of countries and the cuisine, and learn to prepare the meals from each country. Come enjoy some delicious food and learn about the countries with Ms. Soley.

Mixed Media (Tues; Grades 5-6; min 3/ max 8 students)

Students will explore a variety of media in this class. They will work with clay to create unique pieces, fire and glaze them, create sculptures, draw and other exciting projects. Ms. Prince will guide you in creative exploration.

Mad Science (Mon; Grades 1-6; min 10/ max 25 students)

.Come explore some fun and exciting science experiments. Each week will be something new, with hands-on experimentation that encourages children to “do science” not just watch it happen.

Tae Kwon Do (Thurs; Grades 1-6; min 6/ max 18 students)

Ready to earn a new belt and break a real wooden board? *Martial Arts Training and Techniques* is back for the spring semester! All classes are designed to engage the student physically and mentally in a safe and fun environment, while teaching the techniques of Tae Kwon Do and Self Defense. This Tae Kwon Do class is for all ability levels from beginners to black belts. Join us in learning discipline and respect for self and others. (Uniforms \$35 if student does not have one.)

Musical Theater (Mon; Grades 4-6; min 10)

If your child enjoys acting and singing, they will love this class!

Each class will be filled with activities including theater games, voice training, pantomime, and improvisation, movement activities, and ensemble building. The emphasis in the class is on the creative process of using your voice and body to communicate an idea, create a character, or tell a story.

The semester will conclude with a musical theater production.

Act it Out! (Tuesdays; Grades 1-3; min 9)

Be a Star! Express yourself with your voice and your body through active play. Each class is filled with activities, including theater games, voice training, pantomime and improvisation, gross motor games, and pragmatic skill development. Emphasis in class is on the process of creativity, discovery, and confidence building. The semester will conclude with a student inspired performance.

Yoga (Mon; Grades 1-4; min 5/max10)

Come join this new class where you will learn many fun yoga poses that help with strength, flexibility and self-control. Learn how stay calm and relaxed in a friendly, fun environment. Learn to use breathing techniques to recharge your brain.

Tennis (Tuesday; Grades 1-4; min 6, max 12)

Beginner and intermediate players will have a blast building their tennis skills, learning about the rules and the etiquette of the game, and exploring how academic concepts like

Coding (Tuesday; Grades 1-3; min 6, max 12; Thurs; Grades 4-6; min 6, max 12)

Come join us in this new class that explores the basic coding on computers in a fun and creative way. Computer programming is the wave of the future, and allows students to be creative, use problem solving skills and have fun.

Chess (Tuesday; Grades 1-6; min 10, max 48)

Join Chess Wizards this spring for this new class which will teach any level of player new and exciting things about the game of chess. More than a game of winning and losing, we challenge the students to think ahead, visualize their goals, treat others with respect, and learn from their mistakes. Chess is a game kids can enjoy their whole life.
